

# COLOR TOURS

## Tour One

Begin your tour by taking US 10 west through Downtown Ludington by unique shops and cozy restaurants. Then turn North on Lakeshore Drive as you pass through a canopy of color. Drive until you hit Dunewiew Road and turn east, drive to Lincoln Road. From Lincoln Road you will head south until you come to Dewey Road. At Dewey Road you will head East and drive to Jebavy Drive. From Jebavy Drive, drive north to Barnhart Road. Circle back by the way of Sherman Road and Shagway. Follow Jebavy Drive South back to US-10.

## Tour Two

From US-10 head South on Pere Marquette Highway. Follow the highway until you come to Iris Road where you will head West. Driving on Iris Road will take you to Lakeshore Drive where you will head South. Make sure to stop on Lakeshore Drive at the Scenic Overlook at the Ludington Pumped Storage Plant, an impressive feat of engineering completed over thirty years ago. Continue South on Lakeshore Drive until you reach Meisenheimer Road. At Meisenheimer Road head East. There you'll view a variety of fruit trees and conifers. Continue on Meisenheimer Road until you hit Brye Road, where you will head North. From Brye Road you will start heading East on Hawley Road passing frothy fields of golden asparagus. While on Hawley you will see Scottville Rd where you will head north back to US-10.

## Tour Three

From US -10 head east out to Custer. When you see Custer Road, take it North, and then turn East on Sugar Grove Road. You will pass hundreds of acres of scenic colorful farmland. Still heading East on Sugar Grove you will come to Reek Road where you will head North, past open meadows with grazing horses against a backdrop of blazing woods. From Reek Road you will travel through the heart of the Village of Fountain until you come to Fountain Road where you will head West taking in all the stunning foliage. While on Fountain road you will come to Victory Corner Road take this south till you hit Hansen Road. At Hansen Road head East and drive to Gordon Road. At Gordon Road you will head South and end back at US-10.
