

NORDHOUSE DUNES & LAKE MICHIGAN RECREATION AREA

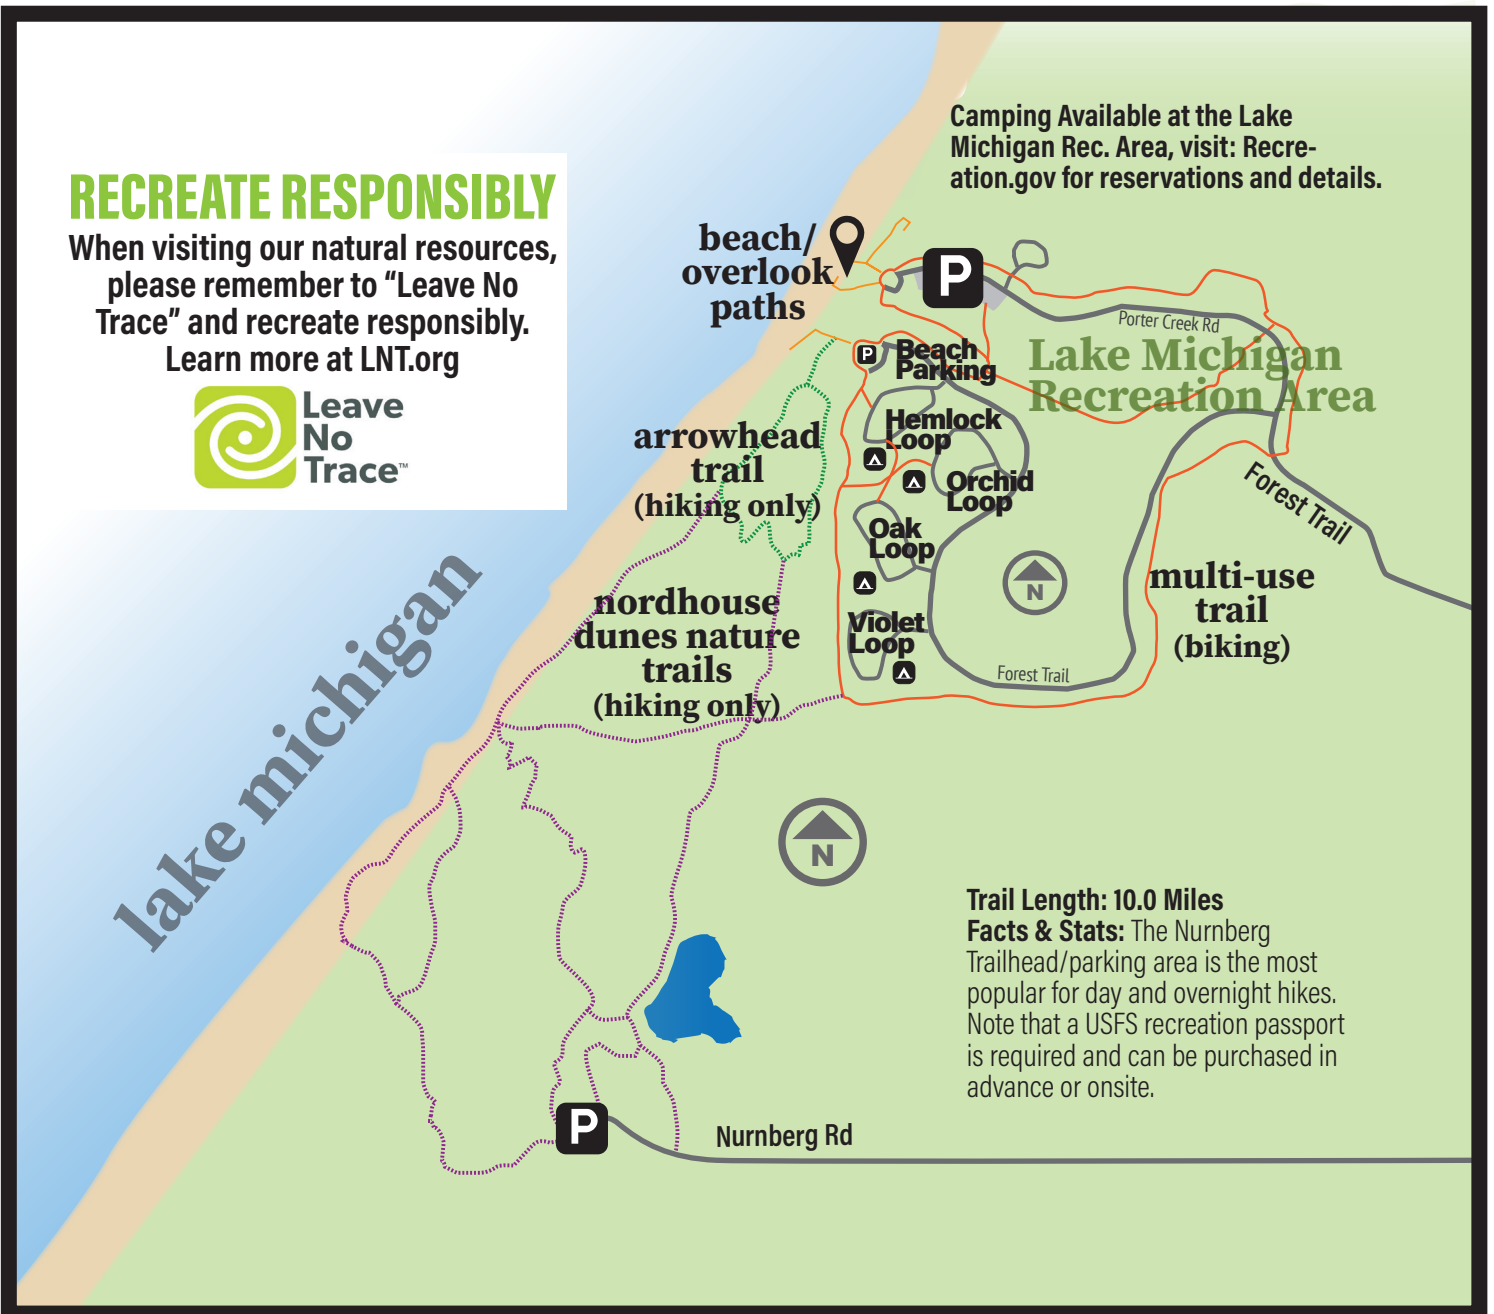

These 3,450 acres of National Forest wilderness are popular for hiking, camping, hunting, nature study and wildlife viewing. There are approximately 10 miles of trails that can be accessed from two developed trailheads at the end of Nurnberg Road and Lake Michigan Recreation Area. Dunes, ponds and marshes - as well as the vast Lake Michigan - can be viewed in this natural area.

RECREATE RESPONSIBLY

When visiting our natural resources, please remember to "Leave No Trace" and recreate responsibly. Learn more at LNT.org

Camping Available at the Lake Michigan Rec. Area, visit: Recreation.gov for reservations and details.

Trail Length: 10.0 Miles
Facts & Stats: The Nurnberg Trailhead/parking area is the most popular for day and overnight hikes. Note that a USFS recreation passport is required and can be purchased in advance or onsite.
